What are we looking for in our Tier I Coaches?

- High level playing/coaching experience
- Passion for the game of hockey
- Passion for helping youth develop on and off the ice
- Strong understanding of athlete development, training methodologies, and competitive strategy
- Excellent leadership, communication, and organizational skills.

Roles and Responsibilities of our Jr.Guardians Tier I Coaches:

- Program Leadership: As a Jr.Guardians Coach you are not only coaching and developing your team but are an integral part of the leadership within our program.

- **Coaching:** Serve as the Head or Assistant Coach for any of our teams, responsible for planning and conducting practices, game strategy, and team selection.
- **Player Development:** Implement a comprehensive player development program focusing on skill enhancement, physical conditioning, and mental toughness.
- **Customer Relationship Engagement:** Maintain effective communication with athletes, parents, staff, and the broader hockey community to build a supportive and inclusive program culture.
- **Program Growth:** Contribute to the future of our program including program improvements, facility improvements, and equipment improvements.

Pay: Pay is tiered based on experience and skill set.
