

# Player Development & Skills Coach in greater Chicago

#9 Hockey is seeking ice hockey coaches for private and small group lessons in the greater Chicago area.

Ice hockey coaches will be expected to arrive at least 15 minutes prior to the start of a scheduled lesson,

coach the lesson based on the provided lesson plan (or adjust the lesson plan as appropriate), and provide verbal and written feedback after each lesson.

Please reply with:

- Why you love ice hockey
- What you enjoy best about coaching
- A brief overview of your experience coaching ice hockey
- A personal story that highlights your coaching abilities

#9 Hockey handles the scheduling, logistics, and planning of the lessons, so that coaches can focus on what they do best - coach ice hockey players!

Qualified candidates must...

- have a passion for ice hockey
- be able to coach through verbal as well as visual instruction
- be energetic, out-going, and have the ability to problem solve
- have strong customer service skills, including communication with parents and players
- be willing & able to pass a background check
- have, or be willing to obtain, a USA Hockey Coaching Education Program certification

Current coaches earn a minimum of \$50 per lesson, and coach up to 15 lessons per week.

Coaches set their availability, and #9 Hockey schedules lessons for them based on their availability.

Your compensation will vary based on your availability and the types of sessions you coach.

This is a contract position.
