

# Position Title: Fox Cities Stars Girls Ice Hockey Assistant Coach

**Job Description:** We are seeking a dedicated and experienced individual to serve as one of our assistant coaches. You will be responsible for working alongside the team staff and players to lead, maintain organization, and oversee all aspects of the girl's high school ice hockey team. This position offers a unique opportunity to work with motivated student-athletes, fostering their development both on and off the ice.

**Primary Objective:** We want our assistant coaches to help lead the team toward a winning season, improve each individual, and promote a positive environment while doing everything possible to qualify and compete for a state championship.

## Responsibilities:

1. **Coaching and Instruction:** Develop and implement effective practice plans, strategies, and game plans to enhance the team's performance. Provide skill development, tactical instruction, and feedback to individual players and the team as a whole.
2. **Player Development:** Foster the personal and athletic development of student-athletes, emphasizing sportsmanship, teamwork, and leadership skills. Support academic success and promote a healthy balance between athletics and academics.
3. **Core Values:** Passionate about mentorship and interested in leading our players toward a successful season. Our ideal coach will promote a competitive team culture, communicate well, collaborate with other coaches, be transparent, and set clear expectations for players.
4. **Compliance:** Ensure compliance with all high school, league, and governing body regulations.

## Qualifications:

- Previous coaching or playing experience, preferably at the collegiate level or equivalent.
- Extensive knowledge of ice hockey rules, strategies, and player development principles.
- Strong leadership, communication, and interpersonal skills. Commitment to upholding the values of sportsmanship, integrity, and academic excellence.
- Flexibility to work evenings, early mornings, weekends, and travel as required.

## Commitment:

- Attend and run practices on ice 5 times a week
- Attend and manage all games (on the bench) - Approximately 50 games (combining JV/Varsity) season from Nov-March.

## Salary:

- A stipend of \$1,500 paid at the end of the season
- Travel and hotel costs are covered by the team for away games
