

# Job Postings for Keyes Institute of Ice Hockey

## Full-Time Assistant Director & Player Development Coach

### Role Overview

The Assistant Hockey Director & Player Development Coach position is responsible for delivering hockey skills and athletic development instruction both on and off-ice by embracing the KIIH culture and following the established curriculum. The position works closely with area player associations, coaches, teams, players, and parents to identify athletes who are interested in taking additional steps to acquire and improve their capabilities as hockey players and life skills. Additionally, the position will ensure that facilities, equipment, and training approach provide a safe, healthy, positive, and structured experience for athletes and their families. The position will also work with the Regional Director to manage day-to-day operations, maintain schedules, maximize opportunities to serve our clients and meet business objectives.

Pay negotiable with experience, health & retirement benefits available.

### Company Description

Keyes Institute of Ice Hockey (KIIH) and Raw Performance Training Center provide hockey skills and athletic development services. We are more than athletic trainers — we are a people development company. We challenge, encourage, and respect every one of our clients and team members and seek to provide unparalleled growth and development opportunities.

### Why Work For US

KIIH provides an opportunity to impact the lives of motivated athletes by helping them hone their athletic skills and become the best people they can be. We take pride in establishing long-term relationships focused on assisting skaters to achieve their goals and dreams. Along the way, we try to have as much fun as possible.
