

Manhattanville University Men's Hockey

Graduate Assistant Coach

The position is designed for two years of study, subject to maintaining a 3.0 GPA, at which point the graduate assistant should have a completed master's degree.

The qualified applicant will assist in all facets of coaching a Division III team including, but not limited to, recruiting qualified student-athletes, academic monitoring, and team management. The qualified applicant must be able to work with various campus constituents as well as alumni and friends of the program.

Core Competencies/Skills

The successful candidate will demonstrate the following key competencies:

Knowledge of effective coaching techniques and best practices.

Ability to work in a diverse work environment and to establish and maintain effective work relationships with school administrators, parents, students, and alumni. Ability to lead and work independently as well as within a team environment. Ability to effectively communicate with student-athletes, coaches, athletic and college administration.

Required Qualifications

Bachelor's degree

Current knowledge of rules and policies of the NCAA Division III

Intercollegiate playing experience

Physical Demands/Other Requirements

Strong verbal and written communication skills.

Ability to work a flexible schedule, including evenings and weekends.

Travel required for off campus competitions and/or recruiting.

Compensation:

The positions are designed for two years of study, 18 credits per year. A stipend and on-campus housing is provided.

Anticipated Start Date:

August 1, 2024

For consideration, send cover letter and resume to David.Turco@mville.edu.

Hiring is contingent upon acceptance into a Master's Program at Manhattanville University
