

Equipment Manager

The Philadelphia Rebels of the North American Hockey League (NAHL) are looking for an equipment manager for the 2024-25 season.

General duties are as follows:

- 1) Work directly with Hockey Operations staff to provide a professional environment for players.
- 2) Establish, with help of Hockey Operations staff, rules and protocol for locker room.
- 3) Strong ability to handle multiple demands and adapt to changes quickly and efficiently.
- 4) Ensure all equipment meets the standards set forth by USA Hockey and the NAHL.
- 5) Manage all equipment ordering and inventory.
- 6) Equipment repair and maintenance.
- 7) Daily laundry.
- 8) Ensure change room, locker room, medical room, coach's office, laundry room, player lounge, washrooms, and hallways are well maintained, clean, and organized.
- 9) Coordinate loading and unloading of bus for all road trips.
- 10) Maintain visitors and referees locker room for all home games.
- 11) Be present when visiting team arrives to unload.

This a salaried position. Please send a resume to justinhale89@gmail.com
