

Men's Hockey Graduate Assistant Coach

Hiram College is seeking applications for the position of Graduate Assistant Men's Hockey Coach. Hiram College is a private liberal arts institution located in northeast Ohio. The College is a member of the North Coast Athletic Conference and NCAA Division III.

The Graduate Assistant Men's Hockey position is a 10-month position which reports to the Head Men's Hockey Coach and Director of Athletics. The graduate assistant is responsible for assisting with on-ice coaching, with the organization and implementation of a successful recruiting and retention plan for the program, possibly supervising student coaches or managers, supporting the strength and conditioning program, representing the program in accordance with department/college policies and procedures, and acting in accord with NCAA and institutional rules and regulations. Other administrative duties in the athletic department may be assigned, such as support of event management for other sports when not in the traditional competitive season for the men's hockey program. Candidates must be accepted to the Hiram College Master's program in order to be considered for this position and must continue to progress toward Master's degree completion during the appointment period.

Qualified candidates are encouraged to send a letter of application, resume and the names, addresses, and telephone numbers of three professional references to Deborah Pineau, of Human Resources, by email at HR@hiram.edu. Candidates should also either be in application to the Hiram College MAIS or Sports Management program, or already accepted to the program.

Hiram College is an Equal Opportunity Employer committed to Excellence through Diversity.
