

MCLA - Men's Hockey Assistant Coach Position

Job Description: The MCLA (Mass. College of Liberal Arts) ice hockey program is seeking a highly motivated and experienced assistant coach. The assistant coach will work closely with the head coach in all aspects of the program, including practice planning and implementation, game preparation, scouting, recruiting, and player development.

Responsibilities:

- Assist the head coach in all aspects of the program
- Plan and implement effective and challenging practices
- Assist with game preparation, including scouting opponents, video breakdown, and developing game plans
- Assist with recruiting efforts, including identifying and evaluating potential student-athletes
- Monitor and support the academic progress and well-being of student-athletes
- Assist with the organization and execution of team events and community service initiatives
- Other duties as assigned by the head coach

Qualifications:

- Bachelor's degree required at time of application
- Minimum of 2-3 years coaching or playing experience at either ACHA or NCAA
- Strong knowledge of NCAA Division III men's ice hockey rules and regulations
- Excellent organizational and communication skills
- Ability to recruit and retain quality student-athletes
- Commitment to the academic and personal success of student-athletes
- Ability to work evenings, weekends, and holidays as needed
