Position Title: HBHC Girls Hockey Director

Reports To: General Manager, HoneyBaked Hockey Club

Location: Suburban Sports Group Campus Farmington Hills, Michigan
Employment Type: Independent Contractor

Position Summary:

The Girl's Hockey Director is responsible for overseeing all aspects of the girls' hockey program, including player development, coaching staff management, scheduling, and program growth. This role ensures that the program aligns with the organization's mission, promotes a positive and inclusive environment, and fosters athletic and personal development for all participants.

Key Responsibilities:

- **Program Leadership & Development**
    - Design and implement a comprehensive development plan for Tier I players.
    - Establish short and long-term goals for the program, focusing on player development, player advancement, and competitive success.
- **Coaching & Staff Management**
    - Along with HBHC leadership; recruit, hire, and mentor qualified coaches for all girls' hockey teams.
    - Provide ongoing training and professional development for coaching staff.
    - Ensure compliance with safety standards and league regulations.
- **Player Development & Recruitment**
    - Identify organizational player needs and formulate the process to procure players from within and outside the organization.
    - Organize and promote tryouts within USA Hockey's structure to attract top players.
    - Foster an environment that emphasizes holistic development on and off the ice.
- **Operations & Administration**
    - Participate in weekly HB Tier I administration meetings.
    - Maintain clear and consistent communication with parents, players, and staff.

Qualifications:

- Minimum of 5 years of coaching or program management experience in hockey.
- Strong leadership, organizational, and communication skills.
- Knowledge of player development models and the ability to present the concepts.
- Ability to work evenings, weekends, and travel as required.
- USA Hockey Level 4 Coaching Certification or higher.
- Bachelor's degree or higher preferred.
- Playing experience at the NCAA level or higher preferred but not necessary.

Core Competencies:

- Passion for youth hockey development and women's sports.
- Ability to inspire and motivate players and staff.
- Strategic thinking and problem-solving skills.
- Growth mindset and approach.

Compensation:

- Compensation is competitive and commensurate with experience and qualifications.
