

Garden State Gamblers – U18 Head Coach

U18 Position

The Garden State Gamblers are seeking a dedicated and experienced Head Coach for our U18 team based in Brick, New Jersey.

This team will operate as an independent U18 team with a full competitive schedule while maintaining affiliation with the New Jersey Titans organization. This affiliation provides players with a clear development pathway within one of the region's most established junior hockey systems.

This is a leadership role requiring full recruiting responsibilities and oversight of all team operations.

Key Responsibilities:

- Full player recruitment and roster construction
- Practice planning, systems implementation, and in-game management
- Player development and advancement guidance
- Schedule coordination and team travel oversight
- Communication with players, families, and organizational leadership
- Culture-building and accountability standards

The ideal candidate will have:

- Prior coaching experience at the youth, high school, or junior level
- Strong recruiting ability and regional network
- Proven leadership and player development background
- High character and organizational skills

This position requires weekday and weekend commitments, including travel. Competitive compensation will be offered based on experience.
