

Columbia Valley Rockies (BCHC) – Hockey Scout

Columbia Valley Rockies (BCHC)

British Columbia and Manitoba Regional Scouts

[Columbia Valley Rockies](#)

Hockey Scout

Location: British Columbia and Manitoba Regional Scouts

Employment Type: Casual

Reports To: Director of Scouting / General Manager

Position Overview

We are seeking a knowledgeable and detail-oriented Hockey Scout to identify, evaluate, and report on prospective players for our organization. The successful candidate will possess a strong understanding of player development, hockey systems, and talent evaluation, with the ability to provide objective assessments and recommendations to hockey operations staff. Hockey scouts typically spend significant time attending games, reviewing video, and preparing detailed player reports.

Key Responsibilities

- Attend hockey games, tournaments, showcases, and combines to evaluate players.
- Assess skating, puck skills, hockey IQ, competitiveness, physical attributes, and long-term potential.
- Prepare comprehensive scouting reports and player rankings.
- Maintain accurate records and databases of evaluated players.
- Track player development throughout the season.

- Collaborate with coaches, management, and scouting staff regarding potential recruits, draft prospects, and free-agent targets.
- Conduct background research and gather character references when appropriate.
- Utilize video analysis and statistical data to support player evaluations.

Qualifications

- Extensive knowledge of hockey at junior, collegiate, amateur, or professional levels.
- Strong analytical and observational skills.
- Excellent written and verbal communication abilities.
- Ability to work independently and manage a scouting territory.
- Proficiency with video analysis and scouting software is an asset.
- Willingness to travel extensively, including evenings and weekends.
- Previous scouting, coaching, playing, or hockey operations experience preferred.

Preferred Experience

- Experience playing, coaching, or scouting competitive hockey.
- Established network within the hockey community.
- Demonstrated ability to identify and project player potential.
- Experience preparing professional scouting reports.

What We Offer

- Opportunity to contribute to player recruitment and organizational success.
- Access to professional development and hockey operations resources.
- Travel reimbursement and scouting expenses (where applicable).

- Collaborative environment with hockey operations leadership.

How to Apply

Please submit:

- Resume
- Cover Letter
- Sample scouting report (preferred)
- References
