

Position: Head Coach – University of Iowa Women's Club Hockey

Organization: University of Iowa Women's Club Hockey

Location: Iowa City, Iowa

Application Deadline: August 8th, 2026

The University of Iowa Women's Club Hockey team is seeking a dedicated and enthusiastic Head Coach for the 2026–27 season.

The Head Coach will be responsible for leading and developing a competitive ACHA women's club hockey program, planning and running practices, coaching games, supporting player development, and fostering a positive team culture. The coach will work closely with the team's student leadership to coordinate practices, travel, and other team operations.

Season Details:

- The season runs from September through early March.
- Team practices twice per week (Monday nights & Thursday mornings).
- Around 20 games throughout the season, including home and away weekends.
- Coach must be available to travel with the team for away games and tournaments throughout the season.
- Opportunity to positively impact student athletes both on and off the ice.

Qualifications:

- Hockey coaching and/or playing experience preferred.
- Ability to obtain and maintain a USA Hockey Coaching Education Program (CEP) Level 1.
- Ability to complete USA Hockey SafeSport Training.
- Strong leadership, communication, and organizational skills.
- Passion for developing student athletes and creating a positive team environment.

Interested candidates should submit a resume and a brief statement of interest to the University of Iowa Women's Club Hockey team at studorg-uiowawhockey@uiowa.edu.
