

Briere's Goalie School Academy

Goalie Coach / Instructor (Paid, Tuesdays)

One day a week — Tuesdays, 3 hours on-ice — Minnesota

About Briere's Goalie School Academy

Briere's Goalie School Academy is a goalie-only training program built on 12+ years of NHL-level goaltending coaching experience. We're growing fast — more goalies, more sessions, more ice time — and we're looking for a coach who can deliver the same standard of instruction that's built our reputation.

About the Role

This is a standing weekly commitment: every Tuesday, a 3-hour on-ice block (9am-12noon) at Briere's Goalie School Academy located at The Lumber Yard in Stillwater MN). If work provided is well executed, role may lead to a full time position.

What You'll Do

- Coach a 3-hour on-ice block every Tuesday, following our training template
- Break down technique — skating, positioning, rebound control, post play, puck tracking — in terms goalies and parents both understand
- Communicate progress and development plans directly with players and parents
- Help refine drills and curriculum as the academy grows

What We're Looking For

Required:

- Played goaltender at the Highschool, junior, collegiate, or professional level
- Comfortable coaching youth players and communicating with parents
- Available every Tuesday for a 3-hour on-ice session

- Reliable, coachable, and genuinely invested in player development

Preferred:

- USA Hockey coaching certification
- Prior experience running private lessons or clinics
- Experience with video or off-ice skill breakdowns

Schedule & Compensation

One day a week — Tuesdays, 3 hours on-ice. \$25–\$40/hour, based on experience.

How to Apply

Send your playing/coaching background to sbriere@brieresgoalieschool.com or apply directly through this posting.
