

Spokane Jr. Chiefs Hockey Organization

Hockey Development Staff – Coaching Opportunities (2027 Season)

The **Spokane Jr. Chiefs Hockey Organization** is seeking **motivated, ambitious hockey coaches** to join our **Hockey Development Staff** for the 2027 season.

This opportunity is ideal for former players, current coaches, or individuals looking to build a career in **player development, coaching, and hockey operations** within a structured, progressive development model.

Coaching Responsibilities

As a member of our Hockey Development Staff, you will have the opportunity to:

- Serve as the **Head Coach** of a Spokane Jr. Chiefs travel hockey team.
- Lead **on-ice skill development** during House League practices and development sessions.
- Plan and operate **holiday camps, summer camps, and specialty clinics** for supplemental income.
- Assist in leading our **Learn to Play Hockey** programming throughout the year.
- Provide **private lessons** during dedicated morning ice times available **Monday–Friday, 6:00 AM–8:00 AM**, creating additional earning opportunities.

Why Join the Spokane Jr. Chiefs?

This position is designed for coaches who want to develop both as teachers and leaders. You'll gain hands-on experience within an established player development system that supports athletes at every stage—from **Learn to Play Hockey** through our **18U National Bound** teams.

You'll work alongside experienced coaches while learning how to:

- Teach age-appropriate hockey skills.
- Build effective practice plans.
- Develop players using a consistent organizational curriculum.
- Grow your coaching career in a positive, player-first environment.

Whether you're finishing your playing career or looking to take the next step in coaching, this is an outstanding opportunity to make an impact while continuing your own development.
