Mass Conn United Training Center — Hockey Skills Trainer

Job Title: Hockey Skills Trainer
Location: Mass Conn United Training Center
Compensation: Competitive, based on experience

About Us:
Mass Conn United Training Center is committed to developing hockey players of all ages and skill levels through focused, high-energy training. We specialize in individual and small group development, with an emphasis on technical skills, hockey IQ, and player confidence.

Job Description:
We are seeking a passionate and experienced **Hockey Trainer** to lead small group and one-on-one skills training sessions. This is a great opportunity for someone who loves teaching, mentoring, and making a direct impact on players' growth both on and off the ice.

Responsibilities:

- Conduct on-ice skills sessions for individuals and small groups (3–6 players)
- Customize training to meet the needs and goals of each athlete
- Provide constructive feedback and positive reinforcement
- Track player progress and communicate with parents/guardians as needed
- Ensure a safe, supportive, and professional training environment

Requirements:

- Prior experience as a hockey player and/or coach
- Strong knowledge of hockey fundamentals and player development techniques
- Ability to communicate effectively with youth athletes and parents
- Punctual, reliable, and highly motivated

Schedule & Location:

- Flexible schedule with sessions typically held evenings and weekends
- Training takes place at MCU Training Center & local rinks around

To Apply:
Please send your resume, brief cover letter, and any relevant certifications to shad@mcutrainingcenter.com or 413-301-6040. Video samples of training or coaching sessions are a plus.
